Future Leaders

EREA is a community committed to justice and inclusion, where all people are celebrated and have the opportunity to thrive in an environment reflective of the diversity of our broader community.

Future Leaders

- We strive to ensure equity in all our programs
- We provide equitable access to all our programs and services for all people
- We ensure that our programs and services are designed to support all people to thrive and are not limited to those who are able to participate in a traditional way
- We provide support and resources to ensure that all people are able to participate in our programs and services
- We provide training and resources to ensure that all people are able to participate in our programs and services
- We ensure that our Future Leaders program is designed to support all people to thrive and are not limited to those who are able to participate in a traditional way
- ▶ We ensure that our Future Leaders program is designed to support all people to thrive and are not limited to those who are able to participate in a traditional way

Future Leaders

- The Future Leaders program is designed to support all people to thrive and are not limited to those who are able to participate in a traditional way
